FUNERAL POLICY

In light of the presence of the very infectious disease, COVID-19, in our area we are putting in place this policy in order to ensure safety of those attending Funeral/Memorial Services at First Congregational UCC, Alexandria, MN.

Total attendance is limited to 25% of our comfortable capacity of 156 which means 39 people (Clergy, musicians, mortuary personnel, and tech team not included in that count).

For those attending:

- Masks are required (except for clergy and musicians once they're in the Chancel area).
- Physical Distancing of 6 – 10 ft. is required (family members living together may sit in groups distanced from others).
- No shared food, beverages or fellowship time.
- No restrooms available (except in utmost emergencies).
- Pew pads will be removed - those needing padded seating must bring their own cushions.

Service will be Live Streamed and made available on YouTube if the family wishes.
