

Come to the beautiful northeast corner of Minnesota on the shore of Lake Superior. First Congregational United Church of Christ of Grand Marais, MN, a progressive, Just Peace and Open & Affirming congregation, is looking for a designated term pastor. The initial term would be for 2 years, renewable, with the option of converting to a called position by vote of the congregation. A parsonage is available. The congregation is actively healing after a time of conflict, under the guidance of a skilled transitional pastor – learning from the church's history, discussing core values/beliefs and discerning our ministry. The congregation seeks an energetic, collaborative pastor with good communication skills who can encourage and challenge us to evolve. Grand Marais, the county seat of Cook county, is a thriving, rural, tourist community 120 miles from Duluth. Our community features many outdoor activities and a vibrant arts scene.
