First United Church of Christ of Northfield, Minnesota seeks a full-time senior minister to serve an historic and forward looking congregation of 425 in a Midwestern college town located less than an hour from the Twin Cities and Rochester. We are known in our community as a progressive Christian voice and a church committed to social justice. We are a Just Peace and Open & Affirming congregation, eager to take a bold step toward a deeper and more inclusive expression of God's love. We seek a minister who will challenge, inspire, and nourish us as we work to embody Jesus' courageous love and justice in our community and the wider world. We welcome a diversity of candidates, who represent the full Body of Christ and reflect the spirit of the inclusive welcome we offer each Sunday. That includes people from all racial and cultural groups, abilities, sexual orientations, gender expressions, and economic backgrounds. We are seekers hungry to draw on ancient wisdom and the Good News to explore the mysteries of Christ. We celebrate families of all kinds, relish our musical traditions, and enjoy gathering to worship in many ways. Our next minister should be an inspiring preacher and creative worship leader, a seasoned administrator, and an exceptional listener who can help us catalyze our vision for the church that expands beyond our doors.
