

**Building & Grounds Maintenance Technician**  
**at Macalester Plymouth United Church, St. Paul**

Macalester Plymouth United Church (MPUC) in St. Paul seeks a building & grounds maintenance technician to work part-time, approximately 10 hours per week over 2 to 3 days, to maintain our church property to support our ministry and help us serve the wider community. The technician will work collaboratively with the church Operations Committee, staff, and volunteers.

Essential functions include (1) monitoring of the building's exterior and interior for needed repairs, (2) performance of basic interior maintenance, (3) ensuring maintenance of our lawn and landscaping, (4) oversight of building and grounds contractors, (5) collaboration with the Operations Committee in setting building and grounds goals, (6) coordinating volunteer projects, and (6) being on call for emergencies.

Minimum qualifications are completion of high school or the equivalent; 5 years demonstrated work experience in building maintenance, commercial, or residential repair; demonstrated work experience with basic lawn and garden care. Associate degree in building trades or trade certifications a plus.

For additional responsibilities, physical requirements, and core competencies, see our complete job description at [www.macalester-plymouth.org](http://www.macalester-plymouth.org).

If you have questions, email [cdbowmann@gmail.com](mailto:cdbowmann@gmail.com) and use "MPUC B&G Maintenance Technician" as your subject.

To apply for this position, send a letter of interest, your contact information, and summary of your experience to [mpucsearch@gmail.com](mailto:mpucsearch@gmail.com). Or fill out the job application located at [www.macalester-plymouth.org](http://www.macalester-plymouth.org). Please apply by April 26.
