

St. Paul's UCC in Saint Paul, Minnesota, seeks Associate Minister. St. Paul's UCC is a progressive, Open and Affirming, Creation Justice congregation located between thriving business and restaurants along Grand Ave. and historic Summit Ave. in the heart of the city of Saint Paul. St. Paul's is a congregation that has come to life over the last ten years, and remained nimble, through revitalization efforts. At 140 years old, St. Paul's has a rich past, and is leaning into the future with an engaged, curious, and warm membership of 250 people. This is an intergenerational church, full of friends who truly love one another and are ready to see their strong Faith Formation ministries grow to meet new needs. There are substantial assets at St. Paul's, with wonderful leadership, a solid endowment, a thriving and well-regarded Childhood Center, a sought-after location, and a deep desire for justice and peace. The role of the Associate Minister will be generalist, but with a focus on sustaining and re-energizing children, youth, and family ministries. This position includes ample opportunity to preach, participate in worship planning, offer pastoral care, and collaborate with the Lead Minister. St. Paul's is looking for someone who is committed to the work of loving our kids and families, while also being a relatable, intellectual, dynamic pastor for all of its people. Please take the time to look at this unique congregation whose vision is to be "Journeying together toward deeper faith, justice, and love for all."

We will be accepting profiles from potential candidates until June 15, 2021 thru the MN Conference UCC offices catherinec@uccmn.org.
