Mizpah United Church of Christ in Hopkins, MN is seeking a Director of Music. This person would integrate music into a thematic Christian worshipful setting. He/she must have a strong choral directing background and music degree. Candidate must also have strong inter-personal and leadership skills.

Some duties would include:
- Coordination of music program with Pastor
- Planning with other members of the Church and Worship Committee for regular worship and special programs including the selection of music
- Year-round supervision of the total music program of the church
- General administration of the budgeted monies for the music program of the church including recommendations concerning the use of such monies
- Regular rehearsal with and direction of the Choir including selection of music for regular and special worship services

Music has always been integral to Mizpah worship. The choir is in a re-building mode after the past COVID year but is proud of its history of working hard toward performance goals. The choir uses inclusive language in songs and is willing to tackle a cappella, foreign languages, modern and ancient compositions. Some of the repertoire of the choir includes composers such as Randall Thompson, Vivaldi, John Rutter, Kurt Bestor, Rachmaninoff, MN composers and of course classical church liturgy.

The Choir has participated in:
- Interfaith Services
- Ordination/Installation Services
- Hopkins Center of the Arts Performances
- Festival of Lessons and Carols

Salary depends on experience
