

# SELF PORTRAIT OF A KIND KID

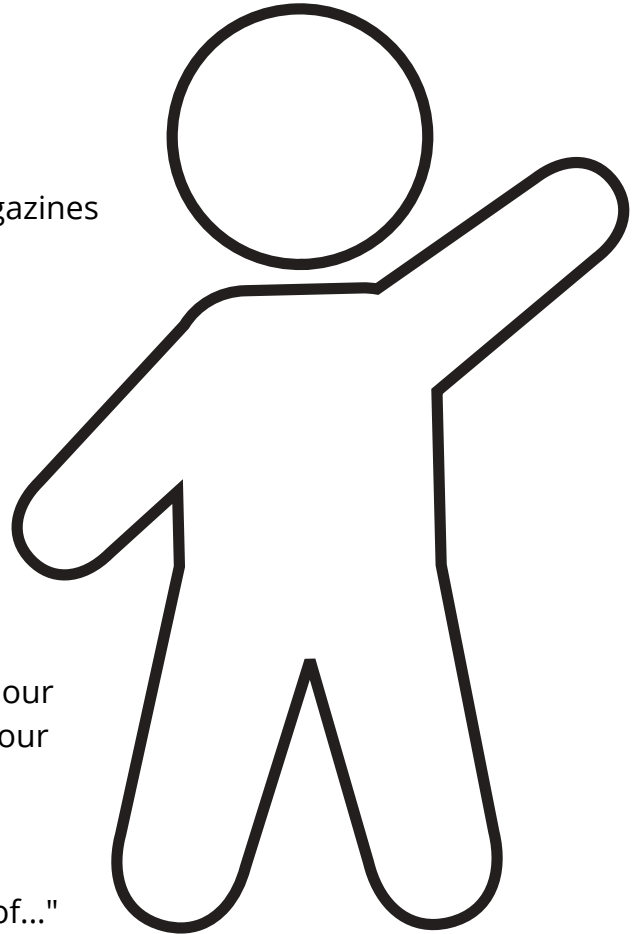

Create a self-portrait collage! This special collage will represent your child – their interests, personalities, and the way they want to be givers and helpers in their community. These self-portraits will remind your child that no matter how old we are, we have the power to make a difference.

## WHAT YOU'LL NEED:

- Background paper (standard or legal size)
- Words & phrases page (included)
- Silhouette (included)
- Alternatively, your child may use a photo
- Collage materials, including recycled books or magazines
- Crayons, markers or colored pencils
- Scissors
- Glue sticks

## INSTRUCTIONS:

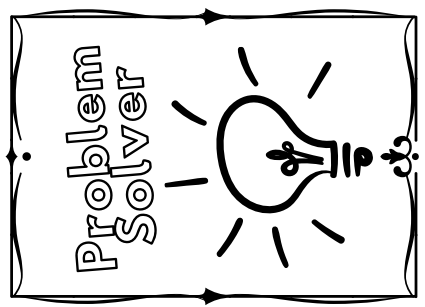

- Create a colorful background on blank paper.
- Turn the silhouette (if using) into a self-portrait.
- Cut out silhouette.
- Glue it (or photo) onto the background.
- Encourage your child to cut out words and images to include on the self-portrait. These may be from our Words & Phrases sheet or you may find them in your collage materials.
  - What words or phrases represent the sort of person you want to be?
  - How would you finish the phrases "I'm a giver of..." (*maybe hugs, high fives, cookies*) and "I'm a helper of..." (*maybe my family, animals, the earth, classmates*)
  - What causes are you passionate about?
- Artfully glue the words you come up with around the silhouette (or photo). Embellish your collage by drawing or cutting out images to go along with your ideas. If you can't find your ideas in your collage materials or in our Words & Phrases sheet, feel free to write or draw about them on your collage.
