It seeks to maintain relationships with persons authorized for ministry and Local Churches holding standing in the Conference. It transfers ministerial standing to or from another Association of the United Church of Christ, authorizes persons to licensed ministry, and confers Dual Standing on ministers of other denominations serving in a UCC setting. It establishes and maintains relationships with Members in Discernment preparing for ordained ministry, and with ministers of other denominations who are seeking Privilege of Call in the UCC. It recommends to the Conference Board of Directors an in-care relationship with new churches or an exploring-church relationship with existing congregations who are considering full standing in the UCC.
